

January 27th, 2016

Dear Member,

I'm pleased to provide a brief update on a number of timely topics related to the work of your professional association and some opportunities for you to get involved.

Partnering with other nursing regulatory bodies

I've recently talked with representatives of SALPN and RPNAS about when and how we can consult with our members and others to finalize and implement the Collaborative Decision-making Framework: Quality Nursing Practice document. There is support to meet again to formalize these plans in the coming months. I'll keep you updated but in the meantime – please send me an e-mail (choffman@srna.org) if you're interested in being a participant in the consultation process.

More chances to get involved in your professional association:

- Participate in this [five-minute survey about Role Clarity](#).
- [Run for SRNA Council](#)
- Plan to attend the SRNA Annual Meeting
 - Mark your calendars for May 3 & 4th at the Delta Hotel in Regina.
- Watch for more information about the proposed SRNA bylaw changes.

Other opportunities and information for members:

- Health Canada and Public Health Agency of Canada Webinars on Refugee Health. [Register for January 21 at 1:00 pm](#). OR [Register for January 26 at 1 pm](#).
- The School of Nursing, Sask Polytechnic is looking for 4 nurses with pediatric experience, and 4 nurses with maternal child experience, to inform work on Internationally Educated Nurses assessments. Volunteers will be paid for a two-day workshop as well as approved travel expenses if from outside of Regina.

Want to know more? Contact: Sandra Petit at 306-775-7569 Toll Free 1-866-467-4278 sandra.pettit@saskpolytech.ca

As always, I look forward to your feedback!

In appreciation,

Carolyn Hoffman, RN,
Executive Director, SRNA
